INDEPENDENT AUDITORS' REPORT

The Honorable Mayor and Members of the Township Council Township of East Windsor County of Mercer State of New Jersey

To the Honorable Mayor and Members of the Township Council:

Report on the Financial Statements

Opinions

We have audited the financial statements - regulatory basis of the various funds and account groups of the Township of East Windsor, County of Mercer, State of New Jersey as of December 31, 2022, and the related statement of operations and change in fund balance - regulatory basis for the year then ended, the related statement of revenues - regulatory basis, statement of expenditures - regulatory basis, and the related notes to the financial statements for the year then ended.

In our opinion, because of the significance of the matters discussed in the "Basis for Adverse Opinion on the United States Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Township of East Windsor. County of Mercer. State of New Jersey as of December 31, 2022, and change in financial position thereof for the year then ended.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements - regulatory basis, the financial statements are prepared by the Township on a basis of the financial reporting provisions of the regulatory basis of the accounting and budget laws of the Division of Local Government Services, Department of Community Affairs, State of New Jersey which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

The effects on the financial statements - regulatory basis, the financial statements are prepared by the Township on a basis of the financial reporting provisions of the regulatory basis of the accounting and budget laws of the Division of Local Government Services, Department of Community Affairs, State of New Jersey which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

<u>Disclaimer of Opinion on Length of Service Award Program Fund ("LOSAP")</u>

Due to the fact that we were not required by the Division to audit nor were we engaged to audit the LOSAP financial statements as part of our audit of the Township's financial statements, we do not express an opinion of the LOSAP financial statements.

Opinion on Regulatory Basis of Accounting

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the LOSAP financial statements – regulatory basis been audited, the financial statements referred to above present fairly, in all material respects the financial statements – regulatory basis of the various funds and account groups of the Township of East Windsor, County of Mercer, State of New Jersey, as of December 31, 2022 and December 31, 2021, and the results of its operations and change in fund balance of such funds – regulatory basis for the years then ended, and the revenues, regulatory basis, expenditures – regulatory basis of the various funds and account groups for the years ended December 31, 2022 and December 31, 2021 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

Basis for Disclaimer of Opinion on Length of Service Award Program Fund ("LOSAP")

As discussed in Note 1, the financial statements of the Length of Service Award Program Fund ("LOSAP") have not been audited, and we were not required by the Division to audit nor were we engaged to audit the LOSAP financial statements as part of our audit of the Township's financial statements. The LOSAP financial activities are included in the Township's Trust Fund and represent 6.96% and 8.88% of the assets and liabilities of the Township's Trust Funds as of December 31, 2022 and December 31, 2021, respectively.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements – regulatory basis, in accordance with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements – regulatory basis as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards* and auditing standards prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements regulatory basis, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Township of East Windsor, State of New Jersey's internal
 control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements – regulatory basis.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township of East Windsor, State of New Jersey's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Accounting principles generally accepted in the United States of America require that pension plan information, including the Notes thereto, (Required Supplementary Information – RSI Schedules), as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was performed for the purpose of forming an opinion on the financial statements of the Township of East Windsor, County of Mercer, New Jersey. The information included Combining and Individual Funds and Account Statements as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements of the Township of East Windsor, County of Mercer, New Jersey. The information included in the Combining and Individual Funds and Account Statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Other Information (Continued)

The information has been subjected to auditing procedures applied in the audit of the financial statements – regulatory basis and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements – regulatory basis taken as a whole.

The information contained in the Statistical Section have not been subjected to auditing procedures applied in the audit of the financial statements – regulatory basis and, accordingly, we do not express an opinion, or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 29, 2024, on our consideration of the Township of East Windsor's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township of East Windsor's internal control over financial reporting and compliance.

INDEPDENDENT AUDITORS REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Mayor and Members of the Township Council Township of East Windsor County of Mercer State of New Jersey

To the Honorable Mayor and Members of the Township Council:

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey ("the Division"), the financial statements – regulatory basis of the Township of East Windsor (herein referred to as "the Township"), as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Township's financial statements – regulatory basis, and have issued our report thereon dated February 29, 2024. Our report expressed a qualified opinion on the financial statements in conformity with this regulatory basis because we did not audit the unaudited Length of Service Program (LOSAP). Our report also expressed a modified opinion because of the departure from accounting principles generally accepted in the United States of America as disclosed in Note 2.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements – regulatory basis, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

INDEPDENDENT AUDITORS REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements - regulatory basis are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted no instances of material non-compliance that we are required to report to the management of the Township in the "General Comments and Recommendations" section of this report.

We also noted other matters involving compliance and internal control over financial reporting that we have reported to the management of the Township of East Windsor in the General Comments section of the Report of Audit.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Township's internal control and compliance, accordingly, this communication is not suitable for any other purpose.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

A. <u>Reporting Entity</u> - The Township of East Windsor is located in Mercer County, State of New Jersey, approximately 65 miles north of Philadelphia and approximately 45 miles south of New York City and 10 miles east of City of Trenton, NJ (State capital). The population, according to the 2020 census, is 30,045.

The Township of East Windsor operates under the Township Council-Manager Plan "E" form of government. The governing body consists of a Mayor and six (6) Council members. All action is passed by a majority or when required a 2/3 vote of governing body. The seven (7) council members, one of whom is elected as Mayor from among its members and one of whom is elected as Deputy Mayor from among its members. The selection of Mayor and Deputy Mayor is required to be done every two years, at the annual reorganization meeting following a municipal election.

The financial statements do not include the operations of the Volunteer Fire Company, Emergency Medical Services, Board of Education and Municipal Utility Authority, which are separate entities subject to separate reporting requirements.

B. <u>Description of Funds</u> - The Governmental Accounting Standards Board (GASB) is the recognized standard setting body for establishing governmental accounting and financial reporting principles. However, the accounting policies of the Township conform to the accounting principles applicable to municipalities that have been prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. These principles are on the regulatory basis which differs from accounting principles generally accepted in the United States of America ("GAAP") for governmental entities. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Township accounts for its financial transactions through the following separate funds and an account which differs from GAAP.

<u>Current Fund</u> - Encompasses resources and expenditures for basic governmental operations. Fiscal activity of Federal, State, County and Local grant programs are reflected in a segregated section of the Current Fund.

<u>Trust Fund</u> - The records of receipts, disbursement and custodianship of monies in accordance with the purpose for which each reserve was created are maintained in Trust Funds. These include the Animal Control Trust Fund, Trust Other Fund, Electric Consumer Deposits, Tax Title Lien Premiums/Redemption, Unemployment, and the Length of Service Awards Plan ("LOSAP") and other required funds.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

B. Description of Funds (Continued)

<u>General Capital Fund</u> - The receipts and expenditure records for the acquisition of general infrastructure and other capital facilities, other than those acquired in the Current Fund, are maintained in this Fund, as well as related long-term debt accounts.

<u>Payroll Trust Fund</u> - Net salaries, certain payroll deductions and social security contributions of municipal and utility operations are deposited into bank accounts of the Payroll Fund. Other deductions are retained by the operating funds and paid directly there from. A Payroll Fund does not exist under GAAP.

<u>Capital Asset Accounts</u> - These accounts reflect estimated valuations of land, buildings and certain moveable fixed assets of the Township as discussed under the caption of "Basis of Accounting".

<u>Special Garbage District Fund</u> – Collection of special district taxes for the cost of providing garbage collection for residential users.

C. <u>Basis of Accounting</u> - The accounting principles and practices prescribed for municipalities by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, differ in certain respects from GAAP. The accounting system is maintained on the modified accrual basis with certain exceptions. Significant accounting policies in New Jersey are summarized as follows:

<u>Property Taxes and Other Revenue</u> - Property Taxes and other revenue are realized when collected in cash or approved by regulation for accrual from certain sources of the State of New Jersey and the Federal Government. Accruals of taxes and other revenue are otherwise deferred as to realization by the establishment of offsetting reserve accounts. GAAP requires such revenue to be recognized in the accounting period when they become susceptible to accrual, reduced by an allowance for doubtful accounts.

<u>Grant Revenue</u> – Federal, State, County and Local grants, entitlements or shared revenue received for purposes normally financed through the Current Fund are recognized when anticipated in the Township of East Windsor's budget. GAAP requires such revenue to be recognized in the accounting period when they become susceptible to accrual.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

C. Basis of Accounting (Continued)

<u>Expenditures</u> - Expenditures for general and utility operations are generally recorded on the accrual basis. Unexpended appropriation balances, except for amounts that may have been canceled by the governing body or by statutory regulation, are automatically recorded as liabilities at December 31st of each year, under the title of "Appropriation Reserves".

Grant appropriations are charged upon budget adoption to create spending reserves.

Budgeted transfers to the Capital Improvement Fund are recorded as expenditures to the extent permitted by law.

Expenditures from Trust and Capital Funds are recorded upon occurrence and charged to accounts statutorily established for specific purposes.

Budget Appropriations for interest on General Capital Long-Term Debt is raised on the cash basis and is not accrued on the records; interest on Utility Debt is raised on the accrual basis and so recorded.

GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which should be recognized when due.

<u>Encumbrances</u> - As of January 1, 1986 all local units were required by Technical Accounting Directive No. 85-1, as promulgated by the Division of Local Government Services, to maintain an encumbrance accounting system. The directive states that contractual orders outstanding at December 31 are reported as expenditures through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures under GAAP.

<u>Appropriation Reserves</u> - Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

<u>Compensated Absences</u> - Expenditures relating to obligations for unused vested accumulated sick, vacation and compensatory pay are not recorded until paid. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations be recorded as a long-term obligation.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

C. Basis of Accounting (Continued)

<u>Property Acquired for Taxes</u> - Property Acquired for Taxes (Foreclosed Property) is recorded in the Current Fund at the assessed valuation during the year when such property was acquired by deed or foreclosure and is offset by a corresponding reserve account. GAAP requires such property to be recorded in the general fixed assets account group at market value on the date of acquisition.

Interfund Accounts Receivable - Interfund Accounts Receivable in the Current Fund are generally recorded with offsetting reserves that are established by charges to operations. Collections are recognized as income in the year that the receivables are realized. Interfund Accounts Receivable of all other funds are recorded as accrued and are not offset with reserve accounts. Interfund Accounts Receivable of one fund are offset with Interfund Accounts Payable of the opposite fund. GAAP does not require the establishment of an offsetting reserve.

<u>Inventories of Supplies</u> - Materials and supplies purchased by all funds are recorded as expenditures.

An annual inventory of materials and supplies for the utilities is required by regulation to be prepared by Township personnel for inclusion on the Fund balance sheets. Annual changes in valuations, offset with a Reserve Account, are not considered as affecting results of operations. Materials and supplies of other funds are not inventoried nor included on their respective balance sheets.

Fixed Assets

<u>General</u> - In accordance with Technical Accounting Directive No. 85-2, Accounting for Governmental Fixed Assets, as promulgated by the Division of Local Government Services, which differs in certain respects from GAAP, the Township of East Windsor has developed a fixed asset accounting and reporting system.

GAAP requires that fixed assets be capitalized at historical or estimated historical cost if actual historical cost is not available. Depreciation on utility fixed assets should also be recorded.

Fixed assets used in governmental operations (capital assets) are accounted for in the Capital Asset Account Group. Public domain ("infrastructure") capital assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

C. Basis of Accounting (Continued)

Fixed Assets (Continued)

Acquisition of land, buildings, machinery, equipment and other capital assets are recorded on a perpetual fixed asset record.

Vehicles, furniture, equipment and other items are reflected at replacement values at time of inventory preparation. Additions to the established fixed assets are valued at cost.

Depreciation of assets is not recorded as an operating expense of the Township.

Fixed Capital of the Utilities are offset by accumulations in Amortization Reserve Accounts. The accumulations represent costs of fixed assets purchased with budgeted funds or acquired by gift as well as grants, developer contributions or liquidations of related bonded debt and other liabilities incurred upon fixed asset acquisition.

The Fixed Capital Accounts reflected herein are recorded in the records of the municipality and do not necessarily reflect the true condition of such Fixed Capital. The records consist of a control account only. Detailed records are not maintained.

Volunteer Length of Service Award Plan (LOSAP)

The Township has established a volunteer Length of Service Award Plan ("LOSAP") ("Plan") to ensure retention of the Township's volunteer fire department and EMS. The Plan shall be construed under the laws of the State of New Jersey and is established with the intent that it meets the requirements of a "Length of service award plan under section 457(e)11 of the Internal Revenue Code". The LOSAP financial statements have not been nor are they required to be audited.

Supplementary Data – Total Columns on Combined Statements

Total columns are captioned "memorandum only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. D. <u>Basic Financial Statements</u> - The GASB Codification also defines the financial statements of a governmental unit to be presented in the general purpose financial statements to be in accordance with GAAP. The Township presents the financial statements listed in the table of contents which are required by the Division and which differ from the financial statements required by GAAP. In addition, the Division requires the financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from GAAP.

E. Other Accounting Standards

The Township is currently reviewing the following for applicability and potential impact on the financial statements:

• GASB Statement 94. Public-Private and Public-Public Partnerships and Availability Payment Arrangements. The primary objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs).

Effective Date: The requirements of this Statement are effective for fiscal years beginning after June 15, 2022 and all PPPs should be recognized and measured using the facts and circumstances that exist at the beginning of the period of implementation (or if applicable to earlier periods, the beginning of the earliest period restated). Implementation has been postponed to June 15, 2021. The Township does not expect this Statement to impact its financial statement.

• GASB Statement 96. Subscription-Based Information Technology Arrangements. This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset – an intangible asset – and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, Leases, as amended.

Effective Date: The requirements of this Statement are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. Earlier application is encouraged. Assets and liabilities resulting from SBITAs should be recognized and measured using the facts and circumstances that existed at the beginning of the fiscal year in which this Statement is implemented. Governments are permitted, but are not required, to include in the measurement of the subscription asset capitalizable outlays associated with the initial implementation stage and the operation and additional implementation stage incurred prior to the implementation of this Station.

E. Other Accounting Standards (Continued)

- GASB Statement 99. Omnibus 2022 in Authoritative Guidance. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. The practice issues addressed by this Statement are as follows:
 - Classification and reporting of derivative instruments within the scope of Statement No. 53, Accounting and Financial Reporting for Derivative Instruments.
 - Clarification of provisions in Statement No. 87, Leases.
 - Clarification of provisions in Statement No. 94, Public-Private and Public-Public Partnerships and Availability Payment Arrangements.
 - Clarification of provisions in Statement No. 96, Subscription-Based Information Technology Arrangements.
 - Extension of the period during which the London Interbank Offered Rate (LIBOR) is considered an appropriate benchmark interest rate for accounting for the distribution benefits (SNAP).
 - Disclosures related to nonmonetary transactions.
 - Terminology updates related to certain provisions of Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources and Net Position.
 - Terminology used in Statement No. 53 to refer to resource flows statements.

Effective Date: The requirements of this Statement that are effective as follows:

The requirements related to extension of the use of LIBOR, accounting for SNAP distributions, disclosures of nonmonetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in Statement No. 34, as amended, and terminology updates related to Statement No. 53 and Statement No. 63 are effective upon issuance.

Note 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

- E. Other Accounting Standards (Continued)
- GASB Statement 99. (Continued)

Effective Date: (Continued)

- The requirements related to leases, PPPSs, and SBITAs are effective for fiscal years beginning after June 15, 2022 and all reporting periods thereafter.
- The requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement No.
 53 are effective for fiscal years beginning after June 15, 2023 and all reporting periods thereafter.
- GASB Statement 100. Accounting Changes and Error Corrections An Amendment of GASB Statement No. 62. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting charges and error corrections to provide more understandable, reliable, relevant, consistent and comparable information for making decisions or assessing accountability.

This Statement defines accounting changes as changes in accounting principles, changes in accounting estimates, and changes to or within the financial reporting entity and describes the transactions or other events that constitute those changes.

Effective Date: The requirements of this Statement are effective for accounting changes and error corrections made in fiscal years beginning after June 15, 2023 and all reporting periods thereafter. Earlier application is encouraged.

• GASB Statement 101. Compensated Absences. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. The objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures.

Effective Date: The requirements of this Statement are effective for fiscal years beginning after December 15, 2023 and all reporting periods thereafter. Earlier application is encouraged.

F. Subsequent Events

Management has reviewed and evaluated all events and transactions from December 31, 2022 through February 29, 2024, the date that the financial statements are issued for possible disclosure and recognition in the financial statements, and no items have come to the attention of the Township that would require disclosure.

Note 2. <u>CASH, CASH EQUIVALENTS AND INVESTMENTS</u>

A. Cash and Cash Equivalents

New Jersey statutes permit the deposit of public funds in institutions located in New Jersey, which are insured by the Federal Deposit Insurance Corporation (FDIC) or any other agencies of the United States that insures deposits or the State of New Jersey Cash Management Fund.

The State of New Jersey Cash Management Fund is authorized by statute and regulations of the State Investment Council to invest in fixed income and debt securities that mature or are redeemed within one year. Twenty-five percent of the Fund may be invested in eligible securities that mature within two years provided, however, the arbitrage maturity of all investments in the Fund shall not exceed one year. Collateralization of Fund investments is generally not required.

In addition, by regulation of the Division of Local Government Services, municipalities are allowed to deposit funds in the Municipal Bond Insurance Association (MBIA) through their investment management company, the Municipal Investors Service Corporation.

In accordance with the provisions of the Governmental Unit Deposit Protection Act of New Jersey, public depositories are required to maintain collateral for deposits of public funds that exceed insurance limits as follows:

The market value of the collateral must equal five percent of the average daily balance of public funds or

If the public funds deposited exceed 75 percent of the capital funds of the depository, the depository must provide collateral having a market value equal to 100 percent of the amount exceeding 75 percent.

All collateral must be deposited with the Federal Reserve Bank, The Federal Home Loan Bank Board or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.00.

Note 2. <u>CASH, CASH EQUIVALENTS AND INVESTMENTS (CONTINUED)</u>

B. Investments

New Jersey statutes permit the Township to purchase the following types of securities:

- Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America. This includes instruments such as Treasury bills, notes and bonds.
- Government money market mutual funds.
- Any federal agency or instrumentality obligation authorized by Congress that matures within 397 days from the date of purchase, and has a fixed rate of interest not dependent on any index or external factors.
- Bonds or other obligations of the local unit or school districts of which the local unit is a part.
- Any other obligations with maturities not exceeding 397 days, as permitted by the Division of Investments.
- Local government investment pools, such as New Jersey CLASS and the New Jersey Arbitrage Rebate Management Program.
- New Jersey State Cash Management Fund.
- Repurchase agreements of fully collateralized securities, subject to special conditions.

In addition, a variety of State laws permit local governments to invest in a wide range of obligations issued by State governments and its agencies.

C. Risk

As of December 31, 2022, the Township had funds on deposit in checking and statement savings accounts. The carrying amount of the Township's Cash and Cash Equivalents as of December 31, 2022 was \$32,933,186.19. The funds were covered by the Government Unit Deposit Protection Act "GUDPA". These funds constitute "deposits with financial institutions" as defined by GASB Statement #3 as amended by GASB Statement No. 40. There were no securities that the Township held that could be categorized as investments.

Note 3. TAXES AND TAX TITLE LIENS RECEIVABLE

Property assessments are determined on true values and taxes are assessed based upon these values. The residential tax bill includes the levies for the Township, County and School purposes. Certified adopted budgets are submitted to the County Board of Taxation by each taxing district. The tax rate is determined by the Board upon the filing of these budgets.

The tax bills are mailed by the Tax Collector annually in June and are payable in four quarterly installments due the first of August and November of the current year and a preliminary billing due the first of February and May of the subsequent year. The August and November billings represent the third and fourth quarter installments and are calculated by taking the total year tax levy less the preliminary first and second quarter installments due February and May. The preliminary levy is based on one-half of the current year's total tax.

Tax installments not paid by the above due dates are subject to interest penalties determined by a resolution of the governing body. The rate of interest in accordance with the aforementioned resolution is 8% per annum on the first \$1,500.00 of delinquency and 18% on any delinquency in excess of \$1,500.00. The governing body may also fix a penalty to be charged to a taxpayer with a delinquency in excess of \$10,000.00 who fails to pay that delinquency as billed prior to the end of the fiscal year. The penalty so fixed shall not exceed 6% of the amount of the delinquency with respect to each most recent fiscal year only. The resolution also sets a grace period of ten days before interest is calculated.

Taxes unpaid on the 11th day of the eleventh month in the fiscal year when the taxes became in arrears are subject to the tax sale provisions of the New Jersey statutes. The municipality may institute in rem foreclosure proceedings after six months from the date of the sale if the lien has not been redeemed.

The following is a five-year comparison of certain statistical information relative to property taxes and property tax collections for the current and previous four years.

Note 8. MUNICIPAL DEBT

The Local Bond Law governs the issuance of bonds and notes to finance general capital expenditures. All bonds are retired in serial installments with the statutory period of usefulness. Bonds issued by the Township are general obligation bonds, backed by the full faith and credit of the Township. Bond anticipation notes, which are issued to temporarily finance capital projects, must be paid off within ten years and five months or retired by the issuance of bonds. During 2022 the following changes occurred in the debt of the Township:

New Jersey Infrastructure Bank Loans "NJIBank" (formerly New Jersey Environmental Infrastructure Trust Loans "NJEIT")

On November 10, 2005, the Township of East Windsor entered into two loan agreements with the State of New Jersey, acting by and through a NJ Department of Environmental Protection Fund and the NJ Environmental Infrastructure Trust in the aggregate amount of \$853,055, which represents direct obligations of the Township. The loan agreements were obtained to finance a portion of the cost of the acquisition of land for open space.

As a result of the General Obligation Bond Series 2020, the Township is required to comply with the Securities and Exchange Commission Rule 15c2-12, which is related to the Annual Continuing Disclosure Requirement. The Township complied with the requirement.

Subsequent Event

The Township adopted an improvement authorizations of \$5,792,906 for various capital improvements, various roads, acquisition of public works equipment, and park improvements, which are funded by the Capital Improvement Fund of \$135,453, various grants of \$3,083,860, and Bonds and Notes Authorized in the amount of \$2,573,593.

Note 9. REGIONAL SCHOOL DISTRICT TAXES

The Regional School District Tax was raised on school year basis and the liability for calendar year 2022 has been paid.

Note 10. PENSION PLANS

Description of Systems

Substantially all of the Township's employees participate in one of the following contributory defined benefit public employee retirement systems which have been established by State statute: the Public Employees' Retirement System (PERS) or the Police and Firemen's Pension Fund (PFRS). These systems are sponsored and administered by the New Jersey Division of Pensions and Benefits. The Public Employees' Retirement System and the Police and Firemen's Retirement System are considered cost sharing multiple-employer plans.

The PERS and PFRS issue a publicly available financial report that includes financial statements and required supplementary information and separate actuarial valuations. Those reports are available by visiting their website at: www.state.nj.us/treasury/pensions/gasb-notices.shtml.

Public Employees' Retirement System

The Public Employees' Retirement System (PERS) was established January 1, 1955 under the provisions of N.J.S.A. 43:15A to provide coverage, including post-retirement health care, to substantially all full-time employees and all that qualify of the State or any county, municipality, school district or public agency provided the employee is not a member of another State-administered retirement system. Membership is mandatory for such employees and vesting occurs after eight to ten years of service and twenty-five years for health care coverage. The following represents the membership tiers for PERS:

| Tier | Definition |
|------|--------------------------------------------------------------------------------------------|
| 1 | Members who were enrolled prior to July 1, 2007 |
| 2 | Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008 |
| 3 | Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010 |
| 4 | Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011 |
| 5 | Members who were eligible to enroll on or after June 28, 2011 |

Note 10. PENSION PLANS (CONTINUED)

Description of Systems (Continued)

Public Employees' Retirement System (Continued)

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 with 25 or more years of service credit before age 62 and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

Police and Firemen's Retirement System

The Police and Firemen's Retirement System (PFRS) was established July 1, 1944 under the provisions of N.J.S.A. 43:16A to provide coverage to substantially all full time county and municipal police or firemen and State firemen appointed after June 30, 1944. The following represents the membership tiers for PFRS:

| Tier | Definition |
|------|------------------------------------------------------------------|
| 1 | Members who were enrolled prior to May 22, 2010 |
| 2 | Members who were eligible to enroll on or after May 22, 2010 and |
| | prior to June 28, 2011 |
| 3 | Members who were eligible to enroll on or after June 28, 2011 |

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years, but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

In addition, this new legislation changes the method for amortizing the pension systems' unfunded accrued liability (from a level percent of pay method to a level dollar of pay).

Note 10. PENSION PLANS (CONTINUED)

Contributions Required to be Made

The local employers' contribution amounts are based on an actuarially determined rate, which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 an option for local employers of PERS and PFRS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

Employee contributions for 2022 were 7.50% for PERS and 10% for PFRS of the employee's base wages. Employer's contributions are actuarially determined annually by the Division of Pensions. The Township's contributions to the plan for the past three (3) years are as follows:

| | _ | PERS | | | | | |

Pension (PERS) Accrual

The Township is required to report on its financial statements on an "Other Comprehensive Basis of Accounting" (OCBOA) Regulatory Basis, which does not require an accrual for its obligations inclusive of pension. If the Township were required to reflect the obligation under Generally Accepted Accounting Principles (GAAP) then an accrual for the PERS obligation due April 1, 2023 would be needed in the amount of \$544,989 since the obligation relates to the period December 31, 2022 and prior. The accrual (under GAAP) would affect the fund balance at yearend.

Pension (PFRS) Accrual

The Township is required to report on its financial statements on an "Other Comprehensive Basis of Accounting" (OCBOA) Regulatory Basis, which does not require an accrual for its obligations inclusive of pension. If the Township were required to reflect the obligation under Generally Accepted Accounting Principles (GAAP) then an accrual for the PFRS obligation due April 1, 2023 would be needed in the amount of \$1,651,352 since the obligation relates to the period December 31, 2022 and prior. The accrual (under GAAP) would affect the fund balance at yearend.

Public Employees Retirement System (PERS)

The information for PERS was abstracted from State of New Jersey Public Employees' Retirement System Schedules of Employer Allocations and Schedules of Pension Amounts by Employer as of June 30, 2022 and June 30, 2021 Independent Auditor's Report dated May 18, 2023 and July 21, 2022, respectively.

The Township's reported liability of \$6,522,063 and \$5,293,362 for its proportionate share of the net pension liability at December 31, 2022 (measurement date of June 30, 2022) and December 31, 2021 (measurement date of June 30, 2021), respectively. The net pension liability was measured as of June 30, 2022 and June 30, 2021 and the total pension liability used to calculate the net pension liability was determined by actuarial valuations as of July 1, 2021 and July 1, 2020, which were rolled forward. The Township's proportion of the net pension liability was based on a projection of the Township's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined.

Actuarial Assumptions

The total pension liability for the June 30, 2022 measurement date was determined by an actuarial valuation as of July 1, 2021, which rolled forward to June 30, 2022. This actuarial valuation used the following assumptions:

Inflation rate:

Price 2.75% Wage 3.25%

Salary Increases: 2.75 – 6.55% (based on years of service)

Investment Rate of Return: 7.00%

Mortality Rates

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

Note 10. PENSION PLANS (CONTINUED)

Public Employees Retirement System (PERS) (Continued)

Long-Term Rate of Return

In accordance with State statute, the long-term expected rate of return on plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic rates of return for each major asset class included in PERS's target asset allocation as of June 30, 2022 are summarized in the following table:

| Asset Class | Target <u>Allocation</u> | Long-term Expected Real Rate of Return |
|----------------------------------|-----------------------------|----------------------------------------|

Discount Rate

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be made based on 100% of the actuarially determined contributions for the State employer and 100% of the actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

Sensitivity of the Collective Net Pension Liability to Changes in the Discount Rate

The following presents the collective net pension liability of the participating employers as of (*measurement dates*) June 30, 2022 and June 30, 2021, respectively, calculated using the discount rate as disclosed above as well as what the collective net pension liability would be if it was calculated using a discount rate that is 1 -percentage point lower or 1- percentage-point higher than the current rate:

Under N.J.S.A. 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed that legally obligated the State if certain circumstances occurred. The legislation, which legally obligates the State, is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the local participating employers under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. The State special funding situation net pension liability amount of \$2,037,115,833 and \$2,055,697,552 as of June 30, 2022 and June 30, 2021, respectively, are the accumulated difference between the annual actuarially determined State obligation under the special funding situation and the actual State contribution through the valuation date. Since the local participating employers do not contribute under this legislation directly to the plan (except for employer specific financed amounts), there is no net pension liability or deferred outflows or inflows to report in the financial statements of the local participating employers related to this legislation. However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net pension liability that is associated with the local participating employer. In addition, each local participating employer must recognize pension expense associated with the employer as well as revenue in an amount equal to the nonemployer contributing entities' total proportionate share of the collective pension expense associated with the local participating employer.

Actuarial Assumptions

The collective total pension liability for the June 30, 2022 measurement date was determined by an actuarial valuation as of July 1, 2021, which rolled forward to June 30, 2022. This actuarial valuation used the following assumptions.

Inflation rate:

Price

2.75%

Wage

3.25%

Salaries Increase:

Through all Future Years

3.25 – 16.25% (based on years of services)

Investment Rate of Return

7.00%

Mortality Rates

Employee mortality rates were based on the PubS-2010 amount-weighted mortality table with a 105.6% adjustment for males and 102.5% adjustment for females. For healthy annuitants mortality rates were based on the PubS-2010 amount-weighted mortality table with a 96.7% adjustment for males and 96.0% adjustment for females. Disability rates were based on the PubS-2010 amount-weighted mortality table with a 152.0% adjustment for males and 109.3% adjustment for females. Mortality improvement is based on Scale MP-2021. The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

Long-Term Rate of Return

In accordance with State statute, the long-term expected rate of return on plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PFRS's target asset allocation as of June 30, 2022 are summarized in the following table:

Discount Rate

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be made based on 100% of the actuarially determined contributions for the State employer and 100% of the actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

Plan Description - NJSHBP

The NJSHBP as of July 1, 2021 had statewide for the local employee groups of 84,057 active and 16,440 retired for a total of 100,497 members. The Township at December 31, 2022 had 198 active and approximately 90 retired employees for a total participation of 288.

Funding Policy – The contribution requirements of plan members are established and may be amended by the state legislature. Participating local government units are contractually required to contribute at a rate assessed each year by the NJSHBP. The NJSHB Commission sets the employer contribution rate based on the annual required contribution of the employers (ARC) as established in an annual rate recommendation report.

The NJSHBP issues a publicly available financial report that includes financial statements and required supplementary information for the NJSHBP and the actuarial valuation. Those reports may be obtained by writing to the State of New Jersey Department of Treasury, Division of Pension and Benefits, 50 West State Street, Trenton, NJ 08625-0299 or on the State of New Jersey website.

Funding Policy

Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis. The NJSHB Commission sets the employer contribution rate based on the annual required contribution (ARC) of the employers as established in an annual rate recommendation report.

Contributions to pay for the health premiums of participating retirees in the NJSHBP are billed to the Township on a monthly basis. The number of employees covered and approximate cost for the past three years were as follows:

| <u>Fiscal Year</u> | # of Employees | į. | Employer's Cost |
|--------------------|----------------|----|-----------------|
| 2022 | 92 | \$ | 1,489,631.00 |
| 2021 | 90 | | 1,119,548.00 |
| 2020 | 89 | | 1,071,460.00 |

Note 10. POST EMPLOYMENT RETIREMENT BENEFITS (CONTINUED)

Township Health Benefits (Continued)

The State Health Benefit Local Government Retired Employees Plan (the Plan) is a cost-sharing multiple-employer defined benefit other postemployment benefit (OPEB) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. For additional information about the Plan, refer to the State of New Jersey, Division of Pensions and Benefits' (the Division) Annual Comprehensive Financial Report (ACFR), which can be found at https://www.state.nj.us/treasury/pensions/financial-reports.shtml.

The information presented was abstracted from the State of New Jersey State Health Benefits Local Government Retired Employees Plan for June 30, 2022 and June 30, 2021 measurement date from the Independent Auditor's Reports dated July 31, 2023 and December 5, 2022.

The Plan provides medical and prescription drug to retirees and their covered dependents of the participating employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission, Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees.

Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: (1) retired on a disability pension; or (2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or (3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or (4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

GASB Statement No. 75 requires participating employers in the plan to recognize their proportionate share of the collective net OPEB liability, collective deferred outflows of resources, collective deferred inflows of resources and collective OPEB expense. The nonspecial funding situation's net OPEB liability, deferred outflows of resources, deferred inflows of resources and OPEB expense are further allocated to employers based on the ratio of the plan members of an individual employer to the total members of the plan's nonspecial funding situation during the measurement period July 1, 2018 through June 30, 2019. Employer and nonemployer allocation percentages have been rounded for presentation purposes; therefore, amounts presented in the schedule of OPEB amounts by employer and nonemployer may result in immaterial differences.

The portion of the OPEB Liability that was associated with the Township recognized is as follows:

Total Nonemployer OPEB Liability

The total OPEB liability as of June 30, 2022 was determined by an actuarial valuation as of June 30, 2020, which was rolled forward to June 30, 2021. The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in.

Note 11. POST EMPLOYMENT RETIREMENT BENEFITS (CONTINUED)

Total Nonemployer OPEB Liability

This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement:

Salary increases *:

Public Employees' Retirement System (PERS)

Rate for all future years

2.75% to 6.55% based on years of service

Police & Firemen's Retirement System (PFRS)

Rate for all future years

3.25% to 16.25% based on years of service

Mortality:

PERS Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

PFRS Pub-2010 Safety classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

Actuarial assumptions used in the July 1, 2021 valuation were based on the results of the PERS and PFRS experience studies prepared for July 1, 2018 to June 30, 2021. 100% of active members are considered to participate in the Plan upon retirement.

Health Care Trend Assumptions

For pre-Medicare medical benefits, the trend rate is initially 5.6% and decreases to a 4.5% long-term trend rate after seven (7) years. For post-65 medical benefits, the actual fully-insured Medicare Advantage trend rate for fiscal years 2022 through 2023 are reflected. For PPO the trend is initially 5.74% in fiscal year 2024, increasing to 12.93% in fiscal year 2025 and decreases to 4.50% after eleven (11) years. For HMO the trend is initially 6.01% in fiscal year 2024, increasing to 15.23% in fiscal year 2025 and decreases to 4.5% after eleven (11) years. For prescription drug benefits, the initial trend rate is 6.75% and decreases to a 4.50% long-term trend rate after seven (7) years. For the Medicare Part B reimbursement, the trend rate is 5.0%.

Discount Rate

The discount rate for June 30, 2022 and June 30, 2021 was 3.54% and 2.16% respectively. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

^{*} Salary increases are based on years of service within the respective plan.

Other

The total nonemployer OPEB liability does not include certain other postemployment benefit obligations that are provided by the Township. The reporting of these benefits are the responsibility of the individual local Township. The Township provides Chapter 88 Reimbursement to certain retirees for the share of Medicare premiums that are withheld from the social security benefits. Detail for the prior three years is as follow:

| Year | Number of Employees | Amount | |

Special Funding Situation - PFRS

Under Chapter 330, P.L.1997, the State shall pay the premium or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80 percent of the premium or periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L.1989.

Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 75 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly contribute to the plan, there is no net OPEB liability, deferred outflows of resources or deferred inflows of resources to report in the financial statements of the local participating employers related to this legislation.

The Township has the following attributed to it related to the Special Funding Situation:

NOTE 12. DEFINED CONTRIBUTION RETIREMENT PROGRAM

Description of System

The Defined Contribution Retirement Program (DCRP) was established on July 1, 2007 for certain public employees under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007. The program provides eligible members, with a minimum base salary of \$1,500.00 or more, with a tax-sheltered, defined contribution retirement benefit, in addition to life insurance and disability coverage. The DCRP is jointly administered by the Division of Pensions and Benefits and Prudential Financial.

If an eligible elected or appointed official will earn less than \$5,000.00 annually, the official may choose to waive participation in the DCRP for that office or position. This waiver is irrevocable.

This retirement program is a new pension system where the value of the pension is based on the amount of the contribution made by the employee and employer and adjusted for membership earnings or losses. It is a Deferred Compensation Program where the employee has a portion of tax deferred salary placed into an account that the employee manages through investment options provided by the employer.

The law requires that three classes of employees enroll in the DCRP, detailed as follows:

- All elected officials taking office on or after July 1, 2007, except that a person
 who is reelected to an elected office held prior to that date without a break in
 service may remain in the Public Employee's Retirement System (PERS).
- A Governor appointee with the advice and consent of the Legislature or who serves at the pleasure of the Governor only during that Governor's term of office.
- Other employees commencing service after July 1, 2007, pursuant to an appointment by an elected official or elected governing body which include the statutory untenured chief administrative officer such as the Business Administrator, County Administrator or Municipal or County Manager, Department Heads, Legal Counsel, Municipal or County Engineer, Municipal Prosecutor and the Municipal Court Judge.
- Notwithstanding the foregoing requirements, other employees who hold a professional license or certificate or meet other exceptions are permitted to remain in PERS.

NOTE 12. DEFINED CONTRIBUTION RETIREMENT PROGRAM (CONTINUED)

Contributions Required and Made

Contributions made by employees for DCRP are currently 5.5% of their base wages. Member contributions are matched by a 3.0% employer contribution. There were employer and employee contributions to the plan as follows:

| Year | E | Employee | | Employer |
|------|----|----------|----|----------|
| 2022 | \$ | 6,192.00 | \$ | 3,168.00 |
| 2021 | | 4,282.00 | | 2,845.00 |

Note 14. RISK MANAGEMENT

Property and Liability Insurance

The Township together with other governmental units are members of the Middlesex Municipal Joint Insurance Fund (the "Fund"). The Fund, which is organized and operated pursuant to the regulatory authority of the Departments of Insurance and Community Affairs, State of New Jersey, provides for a pooling of risks, subject to established limits and deductibles. In addition, the Fund has obtained cost effective reinsurance and excess liability coverages for participant local units.

Note 14. RISK MANAGEMENT (CONTINUED)

Property and Liability Insurance (Continued)

For the year ended December 31, 2022, the Fund provided coverage for Property, Boiler and Machinery, Automobile Liability, General Liability, Workmen's Compensation, Public Employee Blanket Bond and public officials surety bond coverage. The coverage is subject to certain policy limits and deductible amounts. The coverage is designed to minimize the impact of any potential losses to the Township for matters that may have been caused or related to the Township or its employees.

Middlesex County Joint Insurance Fund (JIF)

At December 31, 2021, the Fund reported for all years combined, total assets and deferred outflows of \$8,123,180 liabilities, reserves and deferred inflows of \$36,405,427, which includes loss reserves of \$31,326,944 and an unrestricted net position deficit balance of \$28,282,247.

The information was abstracted from the Annual Independent Financial Audit of the JIF as of December 31, 2021 as restated on May 19, 2023 whose opinion was unmodified. The audit for the period December 31, 2022 is in progress.

In 2021 the JIF billed the Township \$1,398,648.91 for what is their pro rata share of an accumulated deficit of the JIF. The Township has not commenced repayment in accordance with the seven (7) year repayment terms that have been offered until such time when it is a deemed bona fide obligation. The original balance owed is subject to review and adjustment on an annual basis until a determination has been made as to whether an obligation exists.

Mid-Jersey Municipal Joint Insurance Fund (MIDMJIF)

Subsequent Event – Effective December 31, 2022 the Township terminated its relationship with the Middlesex County Joint Insurance Fund (JIF) and entered into a similar agreement with the Mid-Jersey Municipal Joint Insurance Fund (MIDMJIF) effective January 1, 2023.

At December 31, 2022, the MIDMJIF reported for all years combined, total assets of \$22,373,392 liabilities and reserves of \$12,097,221, which includes loss reserves of \$9,783,117 and an unrestricted net position of \$10,276,171.

The information was abstracted from the Annual Independent Financial Audit of the JIF as of December 31, 2022 whose opinion was unmodified. The audit for the period December 31, 2022 is in progress.

Note 15 DEFERRED COMPENSATION PLAN

The Township of East Windsor offers its employees a Deferred Compensation Plan created in accordance with the provisions of N.J.S. 43:15B-1 et seq., and the Internal Revenue Code, Section 457. The Plan, available to all municipal employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

Statutory and regulatory requirements governing the establishment and operation of Deferred Compensation Plans have been codified in the New Jersey Administrative Code under the reference N.J.A.C. 5:37.

The "Small Business Job Protective Act of 1996" modified several provisions of Section 457 of the Internal Revenue Code. The most significant change in the law related to the ownership of the fund.

The Township of East Windsor authorized such modifications to their plan by resolution of the Township Council adopted September 10, 1997. The Deferred Compensation Plan is administered by the American Insurance General (AIG).

Note 16. LENGTH OF SERVICE AWARDS PROGRAM

On August 7, 2001, the Township by ordinance authorized a referendum which was approved by the voters on November 6, 2001 providing for the establishment of a Length of Service Awards Program (LOSAP). The annual maximum appropriation of \$85,000.00 is subject to a per member contribution of \$1,150.00. The LOSAP will provide tax-deferred income benefits to the active volunteer fire fighters and first aid members who are eligible to participate.

The LOSAP funds are administered independently and distinct from the Township and are subjected to a review in accordance with the American Institute of Certified Public Accounts Standards for Accounting and Review Services. A separate report as of December 31, 2022 revealed net assets available for benefits of \$1,247,067.26. The Township's contribution for December 31, 2022 in 2023 is \$46,000.00. Contributions for the past three (3) years are as follows:

| | - | Total | Per Member |
|------|----|-----------|----------------|
| 2022 | \$ | 52,900.00 | \$ 1,150.00 |
| 2021 | | 57,750.00 | 1,150.00 |
| 2020 | | 62,100.00 | 1,150.00 |

Note 17. <u>CONTINGENT LIABILITIES</u>

A. Accrued Sick Pay

The Township's collective bargaining agreements provide for payment to employees upon retirement for unused sick days. There are three (3) collective bargain units and one (2) ordinance for non-union employees agreements, which provide for amounts of payments based on the individual agreements. The noncollective bargaining employees are subject to a limits \$15,000.00 based on the statute. The total liability, based upon the above data and limitations is on file in the Finance Office and the detail is as follows:

| | | 1 | Reserve | |
|------|----|--------------|---------|------------|
| 2022 | \$ | 1,625,274.00 | \$ | 106,833.00 |
| 2021 | | 1,200,990.00 | | 73,247.00 |
| 2020 | | 1,255,230.00 | | 113,944.00 |

B. Litigation

The Township is a party to various legal proceedings. These legal proceedings are not likely to have an adverse financial impact on the Township, based on inquiry of management and the various attorneys.

C. Grants

The Township of East Windsor participates in federal and state assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives. The Township is potentially liable for expenditures which may be disallowed pursuant to the terms of these grant programs. Management is not aware of any material items of noncompliance which would result in the disallowance of program expenditures.

Note 18: <u>INTERLOCAL AGREEMENTS/SHARED SERVICES – LEAD AGENCY</u>

Animal Control

The Township provides Animal Control Services for a neighboring municipality. The annual contract is on a calendar year basis. The fees are based on actual hourly rates; however with a minimum annual fee for 2022 of \$5,700.00.

Senior Center

The Township has an agreement with a neighboring municipality for use of its' Senior Center. The agreement is for the period January 1, 2022 through December 31, 2023. The annual fee charged by the Township is \$39,529.00.

Note 18: INTERLOCAL AGREEMENTS/SHARED SERVICES (CONTINUED)

Dispatching

The Township provides Dispatching Services for a neighboring municipality. The agreement is for the period May 16, 2021 through May 15, 2026. The annual fee for the base year of 2021 is \$196,630.00 and increase 2% for year 2 through 5.

Note 19. TAX ABATEMENT

Governmental Accounting Standards Board requires disclosure of tax abatement information about (1) a reporting government's own tax abatement agreements and (2) those that are entered into by other governments and that reduce the reporting government's tax revenues.

As of December 31, 2020, the Township provides a new tax abatement to a redeveloper for a commercial Redevelopment Area in the Township pursuant to N.J.S.A. 40A:12A-1 et seg., the Local Redevelopment and Housing Law, and a financial agreement between the Township and the redeveloper for constructing a building containing approximately 634,495 square feet of warehouse and office space with parking, landscaping and site improvements. The agreement is for a period of 35 years. Effective May 1, 2018 payments under this agreement were in effect. In consideration of the Township granting the redeveloper this tax abatement, the redeveloper will be required to pay to the Township an annual service charge of an amount equal to \$1.36 per square foot of gross floor area of the building, which shall not be less than 634,495 square foot, billed on a quarterly basis on February 1, May 1, August 1 and November 1. The Annual Service Charge shall be increased on each 5-year increment in the same proportion that the Township's general tax rate increased since the last Adjustment Date, but not less than 2% nor more than 5%. This amount will be readjusted on the 5th anniversary of the Annual Service Charge Start Date, and on each 5-year anniversary thereafter until the Agreement is terminated.

Land Taxes shall be separately assessed, and the redeveloper be entitled to a land tax credit against the Annual Service Charge for that amount in the last 4 preceding quarterly installments. The redeveloper shall also pay an Annual Administrative Fee to the Township in addition to the Annual Service Charge. This fee shall be computed as 2% of the Annual Service Charge and payable on or before December 31st of each year. Pursuant to N.J.S.A. 40A:20-12, the Township shall remit 5% of the Annual Service Charge to Mercer County.

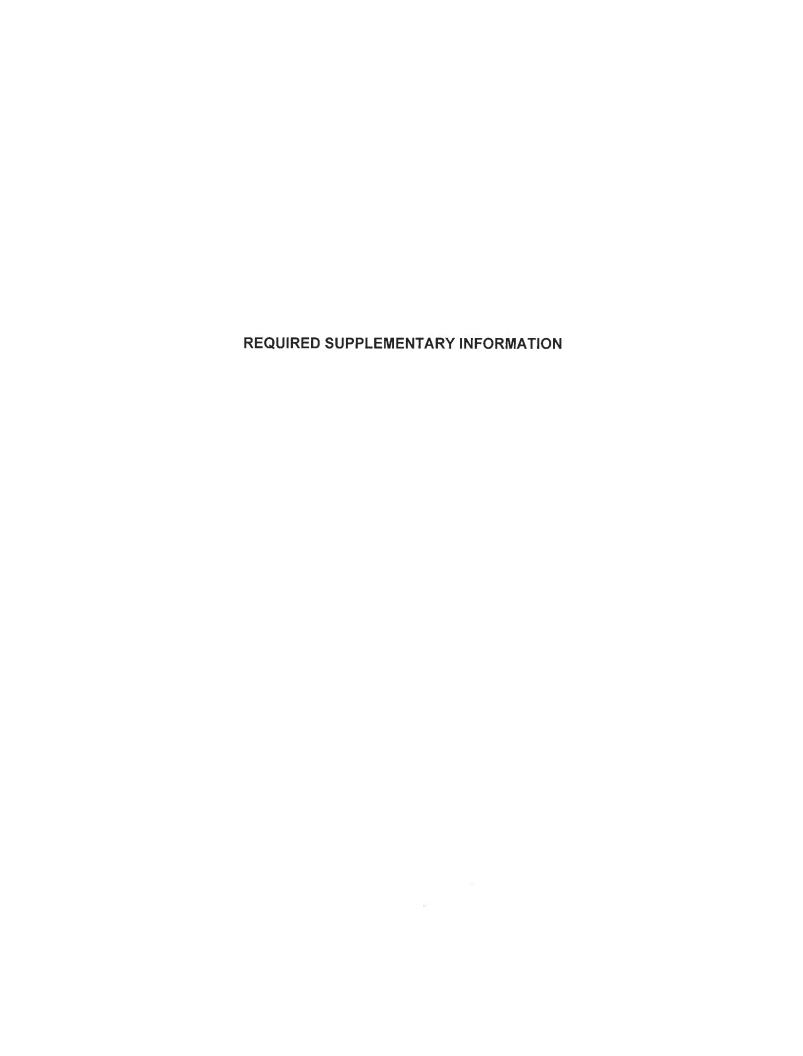

Note 19. TAX ABATEMENT (CONTINUED)

In the event the redeveloper fails to make the required Annual Service Charge payment, the Township reserves the right to proceed against the Project in the manner provided by Applicable Law and shall have the right to In Rem Tax Foreclosure law. Upon termination or expiration of this agreement the tax exemption for this property shall expire and the Improvement shall thereafter be assessed and conventionally taxed according to the general law applicable to other nonexempt taxable property in the Township.

The Township recognized revenue in the amount of \$991,760 from these annual service charges or payments in lieu of taxes which is recorded as a miscellaneous revenue anticipated in the Current Fund. The taxes which would have been paid on these properties for 2022 without the abatements would have been \$2,037,688.

Note 19. SUBSEQUENT EVENT - COVID-19 CORONAVIRUS PANDEMIC

The COVID-19 Coronavirus outbreak in the United States has caused the Governor of the State of New Jersey to mandate closures and a curfew for all nonessential citizens and businesses. The management of the Township (which is essential) has evaluated the impact of the situation and has determined that there is no adverse impact on its December 31, 2022 financial statements. Management does not believe that there will be an adverse impact for the year ending December 31, 2023. A significant portion of the revenue to support Township operations is tax levy and utility rents; however, certain other miscellaneous revenues most especially municipal court and construction code revenue may be impacted due to the economic effect of the closures and curfew.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Honorable President and Members of the Township Council Township of East Windsor County of Mercer, New Jersey

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Township of East Windsor, County of Mercer, State of New Jersey's compliance with the types of compliance requirements identified as subject to audit that could have a direct and material effect on each of the Township of East Windsor (the "Township"), State of New Jersey's major federal programs for the year ended December 31, 2022. The Township's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Township of East Windsor, State of New Jersey complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *Single Audit Policy for Recipients of Federal Grants*. Our responsibilities under those standards, the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Township of East Windsor, State of New Jersey and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Township of East Windsor, State of New Jersey's compliance with the compliance requirements referred to above.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Township of East Windsor, State of New Jersey's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Township of East Windsor, State of New Jersey's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material is there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Township of East Windsor, State of New Jersey's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a best basis, evidence regarding the Township of East Windsor, State of New Jersey's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Township of East Windsor, State of New Jersey's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Township of East Windsor, State of New Jersey's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

Other Matters

The results of our auditing procedures disclosed no instances of noncompliance which are required to be reported in accordance with the Uniform Guidance.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

PART IV COMMENTS AND RECOMMENDATIONS

GENERAL COMMENTS DECEMBER 31, 2022

The Honorable Mayor and Members of the Township Council Township of East Windsor County of Mercer State of New Jersey

Ladies and Gentlemen:

We have audited the financial statements – regulatory basis and supplemental schedules and data of the Township of East Windsor, County of Mercer, New Jersey for the year ended December 31, 2022 and have issued our report thereon. As part of our audit, we reviewed and tested the Township's system of internal accounting control to the extent we considered necessary to evaluate the system as required by auditing standards generally accepted in the United States of America; by the Division of Local Government Services of the Department of Community Affairs, State of New Jersey and by the *Government Auditing Standards* issued by the U.S. General Accounting Office.

Our comments with respect to the audit, internal control, and any error, omission, irregularity, violation of law, discrepancy or other nonconformity to the law or regulation found during the audit are herewith set forth.

Internal Control Matters

The deficiencies in internal control, as reported below, are not considered to be significant deficiencies nor material weaknesses. In addition, these deficiencies are not required to be reported in writing, however, these deficiencies are presented to management and those charged with governance in this report as a means to present those matters identified in review of the Township's internal controls and as a means to inform management and those charged with governance as to the auditing standards requirements with respect to internal controls.

In addition, during our audit we noted certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated February 29, 2024 on the financial statements of the Township of East Windsor. Our comments and recommendations, which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies.

GENERAL COMMENTS DECEMBER 31, 2022

An audit of the financial accounts and transactions of the Township of East Windsor, County of Mercer, New Jersey for the year ended December 31, 2022 has been completed. The General Comments are herewith set forth:

Scope of Audit

The audit covered the financial transactions of the Finance Department and the other various offices and departments collecting fees within the Township of East Windsor, County of Mercer, New Jersey.

The audit did not and could not determine the character of services rendered for which payment had been made or for which reserves had been set up, nor could it determine the character, proper price or quantity of materials supplied for which claims had been passed. These details were necessarily covered by the internal review and control before approval of such claims by the Governing Body.

Contracts and Agreements Required to be Advertised Per N.J.S. 40A:11-4

N.J.S. 40A:11-4 states "every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate of \$17,500.00, due to the absence of a Qualified Purchasing Agent (QPA), except by contract or agreement."

The Governing Body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed \$17,500.00 within the fiscal year. Where questions arise as to whether any contract or agreement might result in violation of the statute, the Township Attorney's opinion should be sought before a commitment is made.

Effective July 1, 2020 and thereafter, the bid thresholds in accordance with N.J.S.A.40A:11-3 are \$17,500.00 for a contracting unit without a qualified purchasing agent and \$44,000.00 for a contracting unit with a qualified purchasing agent.

The minutes indicate that bids were requested by public advertising for the following items:

Reconstruction and Resurfacing
Hawthorne, Brooklawn, Holly and Iris
Farming of Township Land

Leaf Disposal Sitework - Senior Center Senior Center Expansion

Contracts and Agreements Required to be Advertised Per N.J.S. 40A:11-4 (Continued)

In addition, the following items were purchased under State Contract or Cooperative Purchasing Agreements:

Acquisition of a Dump Truck

Sanitation Equipment

Office Supplies

Emergency Lighting

Police Equipment

Rock Salt

Automotive Gasoline

Purchase of Police Vehicles

Purchase and Installation of Playground Equipment

Computer Equipment and System Upgrade

Police Protective Gear & Equipment

Firefighter Equipment, Supplies and Lights

Police Ammunition

Tires

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear cut violations existed.

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S. 40A:11-5.

Our examination of expenditures did not reveal any individual payments, contracts or agreements in excess of \$17,500.00 "for the performance of any work or the furnishing or hiring of any materials or supplies" other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provision of N.J.S. 40A:11-6.

The minutes did indicate that proposals were requested for professional services. The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per NJS 40A:11-5.

Collection of Interest on Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes and assessments on or before the date when they would become delinquent.

The Township, on January 5, 2022, adopted the following resolution authorizing interest to be charged on delinquent taxes and assessments:

WHEREAS, it is advisable that taxes and other assessments be paid promptly so to enable the Township to meet its obligations as they fall due and payable; and

WHEREAS, N.J.S.A. 54:4-67, as amended, permits a municipality to charge interest on delinquent taxes and assessments; and

WHEREAS, the Township Council has decided that such stated interest rate shall prevail for the year 2022, as set forth in said Statute, be charged on any such delinquent taxes and/or assessments; and

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the Township Council of the Township of East Windsor in the County of Mercer, New Jersey, that the following interest rates shall be charged:

8% per annum on the first \$1,500.00 of such delinquency; 18% per annum on any amount in excess of said \$1,500.00; and

BE IT FURTHER RESOLVED that a penalty of 6% of the amount of the delinquency with interest included, shall be charged to a taxpayer with a delinquency in excess of \$10,000.00 who fails to pay said delinquency prior to the end of the year.

BE IT FURTHER RESOLVED that the Tax Collector of the Township of East Windsor is hereby authorized to allow a ten (10) day grace period (taxes are due quarterly - February 1st, May 1st, August 1st and November 1st) and if unpaid within the ten (10) days after these dates, the account becomes delinquent and subject from the due date at the interest rate above mentioned.

It appears, from an examination of the Tax Collector's records, that interest was collected in accordance with the foregoing ordinance for delinquent taxes.

Delinquent Taxes and Tax Title Liens

The detail of all unpaid taxes for 2022 is being properly carried in the Tax Collector's records. An abstract taken from these records as at December 31, 2022, covering all unpaid charges on that date, was verified with the accounting control figures shown in this report. The detail of unpaid prior year's taxes and tax title liens is being properly carried in the Tax Collector's records (Exhibits A-7 and A-8).

The last tax sale was held on December 2, 2022 and was complete with respect to taxes.

The following comparison is made of the number of tax title liens receivable on December 31st of the last three (3) years:

| <u>Year</u> | Number of Liens |
|-------------|-----------------|
| 2022 | 13 |
| 2021 | 13 |
| 2020 | 13 |

It is essential to good management that all means provided by statute be utilized to liquidate tax title liens in order to get such properties back on a tax paying basis.

Cash Balances

The cash balances in all funds were verified by independent certifications obtained from the depositories as of December 31, 2022.

Cash counts were made at various dates in various departments of the Township and bank balances were independently reconciled to the books and records or to such schedules of receipts and disbursements provided for audit.

Revenues

Receipts from licenses, fees, fines and costs, etc., for major departments, including the Municipal Court, were checked to the records maintained to the extent deemed necessary.

Expenditures

The vouchers for all funds were examined to the extent deemed necessary to determine that they carried the properly executed certifications as required by statute. Our examination of expenditures revealed for the most part, compliance with procedures and requirements have been adhered to.

Payroll

An examination was made of the employees' compensation records for the year 2022 to determine that salaries were paid in conformity with the amounts of salaries and wages authorized by the governing body.

Our examination of payroll did not cover verification of the validity and reasonableness of the allocation of salaries for individuals whose job encompasses activities that relate to more than one of the Township's operating funds or Departments. The allocation of salaries for individuals whose duties encompass more than one fund or appropriation is done at the sole discretion of the management of the Township. It is proper and legal to allocate salaries amongst funds as long as the duties of the individuals relate to the costs charged to the fund or appropriation.

Miscellaneous Comments

Interfunds Receivable/Payable

There are interfunds receivable and payable amongst the various funds of the Township, one of which resulted in an interfund advanced charge in the Current Fund.

Reserves

Receivables, reserves, unexpended appropriations and improvements authorizations in all funds (including the grant fund) should be reviewed on an ongoing basis for utilization, refund to the funding source or cancellation to the appropriate fund balance.

Surety Bonds

Surety Bonds were tested as part of our normal annual audit procedures. The Surety Bonds for the Tax Collector, Municipal Court Employees and Chief Financial Officer were tested for adequacy and deemed to be sufficient.

Technical Directives - State of New Jersey

The general ledger for 2022 was maintained in accordance with acceptable accounting control standards. (NJAC 5:30-5:7)

A complete encumbrance system for budgetary purposes was maintained during 2022. (NJAC 5:30-5:2)

A fixed assets detail was maintained in 2022. (NJAC 5:30-5:6)

Miscellaneous Comments (Continued)

Construction Code Official

Our examination of the Uniform Construction Code Annual Report revealed the revenues for 2022 in accordance with the report were \$633,946.00 and expenditures were \$352,212.26. The revenue and expenditures should be reviewed annually for sufficiency.

A separate report in accordance with Local Finance Board Notice #17-15 for Uniform Construction Code was filed in conjunction with the audit.

Local School District Taxes

The payments due to the Regional School District as of December 31, 2022 was verified by the School Board Secretary.

General Capital Fund

The General Capital Fund analysis of Cash and Cash Equivalents exhibit C-3 reflects four (4) improvement authorizations that have cash deficits #20-07 Various Capital Improvements, #20-09 Senior Center Expansion, #22-03 Senior Center Site Work and #22-08 Various Capital Improvements. These deficits should be resolved in conjunction with the next bond anticipation note sale.

Internal Control Documentation

Statement on Auditing Standards 115 sets forth requirements upon the auditee that includes the documentation of its internal controls. Internal Controls should be in conjunction with a financial procedure reviewed or an ongoing basis. We suggest the documentation should also include the internal controls that exist over grant compliance along with providing for this documentation in conjunction with information relating to job descriptions and procedures manual.

Administration and Accounting of State & Federal Grants

The acceptance of grant funds also places additional requirements upon the Township with respect to the Township's system of internal control. Based upon the matrix of requirements applicable to the specific grant, the Township's internal controls are required to include systems and policies and procedures designed to ensure with the compliance requirements. In addition, we suggest the Township review all of the applicable grant agreements and the Township's system of internal controls in order to ensure the Township's internal controls are functioning at the requisite levels to meet with the various accounting and compliance requirements.

Miscellaneous Comments (Continued)

Cybersecurity

With the ever increasing challenges relating to cybersecurity, each organization determines what particular assessment or combination of assessments best fits its information security strategy. We suggest management continue to assess risks related to cybersecurity along with the utilization of specialized assessments, which would also include a periodic reporting mechanism to those charged with governance.

Other Officials Collecting Fees

Our reviews of the records maintained for other officials collecting fees, which were designed to determine that minimum levels of internal control and accountability were met, and that cash receipts were deposited or turned over to the Township's Treasurer's accounts within a 48-hour period as required by N.J.S.A. 40A:5-15. There were no exceptions to report.

Length of Service Awards Program

The Township by referendum authorized a Length of Service Awards Program (LOSAP) which is accounted for in a separate and distinct fund from the Township. A separate Accountant's Review Report has been prepared for its operations as of December 31, 2022.

Appreciation

I desire to express my appreciation for the cooperation received from the Township Officials and Employees and the courtesies extended to us during the course of the audit.

A formal exit conference, in accordance with audit requirements generally accepted in the United States of America, has been held on the contents of this audit with the appropriate Township Officials.

Corrective Action Plan

A corrective action plan was not required for the 2022 audit since there were no recommendations and no plan of action is required for 2022 as a similar condition exists.

RECOMMENDATIONS DECEMBER 31, 2022

None.

The problems and weaknesses noted in my audit were not of such a magnitude that they would affect my ability to express an opinion on the financial statements taken as a whole.

Should any questions arise as to my comments or recommendations, or should you desire assistance in implementing my recommendations, please do not hesitate to call me.

Very truly yours,
