Mayor's Message

East Windsor Township & Einstein's Alley - Perfect Together

OUR EAST WINDSOR PARTNERSHIP WITH EINSTEIN'S ALLEY to promote and support a high technology presence in the Township has realized success with the investment in recent years of many pharmaceutical and technology companies.

Albert Einstein spent significant time conducting research at the Institute for Advanced Study in nearby Princeton, and this legacy of technology and innovation continues today in **Einstein's Alley**, named for the famous physicist. **Einstein's Alley** is a private, non-profit economic development organization whose purpose is to attract and retain technology-based businesses in Central New Jersey.

EINSTEIN'S ALLEY in **East Windsor** is focused along **Princeton Hightstown Road and Old Trenton Road** as well as **off of Route 33 in the area of East Windsor Turnpike Interchange 8**, identified by several strategically placed **Einstein's Alley** High-Tech Corridor signs. From longtime East Windsor Township businesses such as Shiseido America to newcomers such as Aurobindo USA on Route 571, and Hovione near the Turnpike, these areas serve as **gateways** to the Township, and a showcase for many premier high technology firms.

SHISEIDO, *Japan-based* and the world's third largest cosmetics skin care company, is expanding to a 310,580 SF building footprint plus new mezzanine area, and just launched its Americas Innovation Center in East Windsor, more than tripling local R&D capacity. New tax dollars & double the East Windsor workforce will result.

AUROBINDO PHARMA USA, *India-based* generic pharmaceutical manufacturer and distributor, broke ground on their new U.S. headquarters with a new 567,000 SF pharmaceutical warehouse, manufacturing and distribution center which will generate significant tax dollars and 400 to 500 new jobs. The company also has acquired as administrative offices the site's 43,000 SF architecturally renowned Patscentre building which will house another 110 employees by year end.

HOVIONE, *Portugual-based* pharmaceutical company, broke ground on a major expansion of their East Windsor facility, adding an additional 28,000 SF to its existing 24,000 SF facility, and approximately 60 jobs to the current 50 person workforce. This expansion will double local drug production capacity to meet global customer needs.

Other local companies underscore East Windsor's **Einstein's Alley** vision to attract, maintain and grow pharma and high tech industry companies including:

CBIZ-KA Consulting
Bridge-X Technologies
Evans Analytical Group
McGraw-Hill Education
Masterex Technologies
ForDoz Pharmaceuticals
Elementis Specialties
Brilliant Light Power
SpectraMedix
Parexel International
Adents
Apprecia Pharmaceuticals
Sabinsa
NovitiumPharmaceuticals
Thermo Systems
Windsor Labs
Core Tech Solutions
Cloudeeva
HMS Business Services
Aurex Laboratories

The concentration of pharmaceutical and high-technology business results from many factors:

- ▶ **Superior Location** at NJ Turnpike Exit 8 mid-way between New York and Philadelphia.
- ▶ **Excellent Transportation Networks** such as NJ Route 133 with a direct connection to NJ Turnpike plus easy access to Routes 1, 130, and 571, and Routes 295 and 195.
- ▶ **Market Access** via close proximity to major airports, ports, rail and bus transportation.
- ▶ **Sustainable Practices and Initiatives** support.
- ▶ **Diverse Highly Skilled Labor Force** with many neighboring colleges & universities.
- ▶ **Business Ombudsman/One Stop Permit Process** with hands-on guidance to assist businesses through the regulatory process.

EAST WINDSOR & EINSTEIN'S ALLEY bring technology, sustainability, tax dollars, jobs, growth and prosperity to our Township.

2016 EAST WINDSOR MUNICIPAL BUDGET NO TAX INCREASE

The 2016 total tax rate for East Windsor Township residents is \$ 3.285 per \$100 of assessed valuation [\$3.161 without the Garbage District], per below pie chart.

At \$0.433, the Municipal Government is only 13.18% of the total property tax bill.

Note: The 2016 Municipal Budget again reflects a ZERO TAX INCREASE, while retaining all existing service levels. The municipal tax component thus remains the same for 2016, 2015, 2014, and 2013.

The Garbage District tax rate also again has **NO TAX INCREASE** at \$0.124, which is 3.77% of the total tax rate. The Twin Rivers Planned Unit Development, all private communities, and all apartment complexes do **not** pay the Garbage District Tax, since they have private haulers for garbage collection.

The Township Council does not establish and has no control over the other 83.05% of your tax bill. These taxes are collected for Mercer County and the East Windsor Regional School District. The three taxes collected for Mercer County (\$0.662) constitute 20.16% of the total tax rate (County Tax, County Library Tax and County Open Space Tax). The School District Tax (\$2.066) constitutes 62.89% of the total tax rate.

GENERAL ELECTION TUESDAY, NOVEMBER 8

Polls are open from 6 am to 8 pm. The last day to Register to Vote in the General Election is Tuesday, October 18. The last day to obtain a Vote By Mail ballot for the General Election is Tuesday, November 1 by mail, and Monday, November 7 by 3 pm if in person. Registration forms and vote by mail application forms can be obtained online at www.njelections.org. Questions can be directed to the Municipal Clerk's Office, (609) 443-4000, ext. 240.

NEW TOWNSHIP WEBSITE LAUNCHED

East Windsor has launched a completely new website featuring a user friendly interface, enhanced mobile compatibility, and easily accessible resources for the public. The launch marks the end of a collaborative process among the Mayor and Council, all departments, and Township boards and committees. Users will find easy access to public documents and forms including the Township code, Council agendas and minutes, and various licensing and permit forms. Additionally, users can easily sign up for E-news updates, monitor emergency alerts, and readily access prior E-news updates as well as back issues of the Township Newsletter. Visit www.east-windsor.nj.us.

PRINCETON JUNCTION TRAIN STATION SHUTTLE CHANGES

To enhance service, slight changes were made to the East Windsor-sponsored Princeton Junction Shuttle service. **MOST EXISTING STOPS REMAIN THE SAME.** The changes are:

- (1) Consolidation and elimination of three stops at Dorchester Drive and Yorkshire Drive, Dorchester Drive and Wiltshire Drive and Wiltshire Drive and Yorkshire Drive to **Dorchester Drive and Devonshire Drive**, to better accommodate residents and provide for greater routing efficiency.
- (2) Addition of a new stop at **Airport Road and Endeavor Boulevard**.

Further, reverse morning and evening commute service is now offered to and from the Princeton Junction Train Station, at the intersection of Old Trenton Road and Millstone Road (east and west sides) and on Route 571 near Taco Bell (eastbound) and First Choice Bank (westbound). The new schedule can be viewed at www.east-windsor.nj.us (click "Community," then "Transportation" then "Princeton Junction Shuttle"). For questions or information regarding the schedule or changes, call (609) 443-4000, ext. 246.

ROADWAY IMPROVEMENTS

Oak Creek Road Completed

Roadway improvements to Oak Creek Road between Hickory Corner Road and Oak Creek Circle have been completed. The roadway improvements include milling and resurfacing, as well as repairs to curbs, driveway aprons and handicapped ramps.

Dutch Neck Road Completed

Roadway improvements to Dutch Neck Road between Oak Creek Road and One Mile Road were completed in October. The roadway improvements include milling and resurfacing, as well as repairs to curbs, driveway aprons and handicapped ramps.

Probasco Road Improvements

A \$260,000 New Jersey Department of Transportation grant obtained for roadway improvements to Probasco Road has been withheld by NJDOT due to the Governor’s moratorium on state grant funded road projects.

Route 130/Hankins Road/Conover Road Realignment

A major Township longtime advocated project is to realign Route 130, Hankins Road, and Conover Road to a single point, controlled by a single traffic signal and allowing for all left turn movements, to enhance safety and facilitate traffic flow. Assisted by a \$525,000 NJDOT grant and undertaken cooperatively with Robbinsville Township, the project is targeted for spring 2017, subject to NJDOT approval to proceed.

POLICE/COURT BUILDING SOLAR PROJECT

The Mayor and Township Council recently awarded a contract to Dobtoll Construction, LLC to install a 444 kilowatt solar array on a parcel of land adjacent to the Police/Court building which was donated by McGraw-Hill. This solar array is expected to generate 577,093 kilowatt-hours of electricity annually, offsetting nearly 100% of the building’s energy use. The site will be buffered by landscaping and berms on all sides obstructing any views of the solar array field. The Township has entered into a 15 year power purchase agreement with Dobtoll. Based upon current energy usage, the Township anticipates a **savings of \$527,933** over the term of the agreement. The solar project and power purchase agreement is another example of East Windsor Township “going green and saving green.”

EAST WINDSOR TOWNSHIP AWARDED SILVER LEVEL CERTIFICATION FROM SUSTAINABLE JERSEY

East Windsor, one of only 33 Silver Level Certified towns statewide, was approved for Silver Level Sustainable Jersey Certification with 34 actions in 14 categories for a total of 355 points. East Windsor earned silver certification action points for many Township initiated programs and actions undertaken by Mayor Mironov and Council Members, including creation of a farmland preservation plan, development of an open space plan, inventory and upgrade of municipal buildings for energy efficiency, community recycling/paper shredding events, business recognition programs, “Cut it and Leave it” program, Backyard Composting program, tree protection ordinance, environmental assessment ordinance, sustainable land use commitment, green building policy and community outreach programs.

Sustainable Jersey Associate Director Renee Haider presented Sustainable Jersey Silver Certification to Mayor Janice Mironov and East Windsor Green Team members. Pictured (from left to right) are: (front row) Council Member John Zoller; Renee Haider, Associate Director, Sustainable Jersey; Mayor Janice S. Mironov; Ronald Balint, Chairperson, Green Team; Virpartap Grewal, student member; Gary Fournier; (back row) Rithesh Neelamagam, student member; Jay Vaingankar, student member; John Donnelly; Deputy Mayor Peter V. Yeager; Richard Brand, Executive Director, East Windsor Municipal Utilities Authority; Edward Kelley, and Patrick Condon.

This Silver Level Certification recognizes the Township’s broad efforts in recycling, environmental resource protection, energy conservation, sustainable land use practices and enables East Windsor Township to be eligible for future grants and funding opportunities. Sustainable Jersey is a certification program available to municipalities in New Jersey that want to “go green”, save money, and take steps to sustain long term environmental quality for their community. Launched in 2009, Sustainable Jersey is a 100% voluntary certification program for municipalities in New Jersey. The East Windsor Green Team members include: **Chairperson Ronald Balint, Richard Brand, Patrick Condon, John Donnelly, Gary Fournier, Edward Kelley, Lenox Ng, Student Members Virpartap Grewal, Rithesh Neelamagam, Jay Vaingankar, and Deputy Mayor Peter Yeager, Council Member John Zoller, and Mayor Janice Mironov.**

SIGN-UP FOR E-NEWS

East Windsor Township E-News Updates are generally sent weekly by e-mail, providing information on new businesses and stores, roadway projects, grants and special events. E-News is also a major source of communication and information during emergencies. You can register on the Township website www.east-windsor.nj.us at “E-News & Sign-Up.”

PERMANENT MEDICATION DROP BOX INSTALLED

East Windsor Township has installed a permanent medicine drop box to provide a secure and convenient option to dispose of unwanted, unused or expired medications. The permanent medicine drop box is installed in the lobby of the Police/Court Building (80 One Mile Road) and is accessible to the public on a year-round 24/7 basis. The permanent drop box, obtained by Mayor Janice S. Mironov and Council Members from The American Medicine Chest Challenge, provides residents with a 24/7 option to dispose of medications in an environmentally responsible manner and to reduce possible access by unauthorized persons.

East Windsor officials kick-off the medicine chest challenge. Pictured (from left to right) are: Council Member John Zoller; Deputy Mayor Peter Yeager; Mayor Janice S. Mironov, and East Windsor Chief of Police Harry Marshall.

SPOTLIGHT EAST WINDSOR

Spotlight East Windsor, Ask the Mayor, with Mayor Janice S. Mironov, is a live call-in program on Comcast Cable Channel 27 and Verizon Channel 38. Spotlight East Windsor airs on Wednesdays at 7 pm (live every other Wednesday) and replays Mondays at 7 pm, 8 pm and 9 pm and Thursdays at 5 pm and 7 pm. The show is also now available on YouTube and can be accessed at the East Windsor Township website www.east-windsor.nj.us.

TOWNSHIP 2015 BUSINESS AWARDS

The 2015 Business Awards were presented to **East Windsor Bowl, Scotto’s Pizza and Restaurant, and RISE: A Community Service Partnership** by Mayor Janice S. Mironov. The purpose of the annual award program is to recognize local businesses that have made special efforts to improve or contribute to the community.

Mayor Janice S. Mironov recognizes 2015 Township Business Awardees East Windsor Bowl and Recreation Center, Scotto’s Pizza and Restaurant, and RISE: A Community Service Partnership. Pictured (from left to right) are: Vijay Papaiya, owner, East Windsor Bowl and Recreation Center; Mayor Janice S. Mironov; Connie Scotto, co-owner, Scotto’s Pizza and Restaurant, and Leslie Koppel, Executive Director, RISE.

East Windsor Bowl & Recreation Center was recognized for “Improvements and Contributions” to the Township. In 2015 an extensive and attractive renovation of the East Windsor Bowl, an important and popular local recreation option, was performed providing a state-of-the-art 24 lane bowling center complete with a full service snack bar, arcade gaming area and party room.

Scotto’s Pizza and Restaurant was recognized for “Improvements and Contributions” to the Township. In 2015, Scotto’s greatly enhanced their restaurant operations and appearance, completing a major renovation of their dining room, and thereafter adding an outdoor dining patio and installing new signage.

RISE: A Community Service Partnership was recognized for “Special Community Enhancement Contributions” to the Township. RISE, which provides valuable referral and support services to empower families and individuals in need, has under current leadership and staff, offered effective and noteworthy pro-active innovative new programs, opportunities and community outreach, by successfully seeking grants, volunteers and partnerships. Summer enrichment camps, after school student programs, food pantry, new and expanded community meals, student school backpacks and supplies, “MLK Jr. sleepy time drive” are among its many local initiatives. RISE also was recognized as a “green” vehicle in our community, participating in Township recycling events and operation of the thrift shop, for positive reuse of many traditional household items as furniture, clothing, blankets, appliances and electronics.

BICYCLE SAFETY PROGRAM

The Township implemented a Bicycle Safety Program in three stages, underwritten by a New Jersey Highway Traffic Safety grant. Phase One, "Use Your Head", was a helmet giveaway program. Residents age 5 through 16 received a properly fitted bicycle helmet at no cost and viewed a brief 5 minute video on the importance of bicycle helmets and bicycle safety. Phase Two consisted of distributing form summonses congratulating children wearing safety helmets. Each child was asked by elected officials and police officers to sign a pledge "to use a safety helmet when using a bicycle, skateboard or rollerblades." Completion of the pledge and form enabled participants to be entered in a drawing for prizes to take place at "National Night Out". Phase Three, "Bike at Night - Use a Light", involved the Township distributing, at no cost, the required pair of bike lights along with safety information. The initiative is a directed effort through public education and personal contact by police officers to get bicyclers to use proper lighting at night. New Jersey law and municipal ordinance require that bicycles be equipped with a white light on the front and a red light on the rear when in use during nighttime hours.

Mayor Janice S. Mironov and Township officials kick-off "Use Your Head," Phase 1 of the Township bicycle safety program. Pictured (from left to right) are: Sergeant Scott Bodnar; Shivam Patel; Prachi Patel, and Mayor Janice S. Mironov.

ATTENTION HIGH SCHOOL STUDENTS: VOLUNTEER OPPORTUNITY IN TELEVISION BROADCASTING AVAILABLE

If you are interested in broadcasting and would like hands-on training on a live, local television program, opportunities are available to work with the award winning "Spotlight East Windsor" program, one hour every other Wednesday night, at the East Windsor Municipal Building. Volunteers will learn camera techniques, audio, lighting, video switching, videotape operation and much more. Those interested should contact the Municipal Clerk's office at (609) 443-4000, ext. 237 and leave your name and contact information. For technical information, contact Dick Cunningham at (609) 443-1199.

EAST WINDSOR KICKS-OFF "WE CHECK FOR 21" CAMPAIGN

"We Check for 21" is an initiative of Mayor Mironov and Council Members to deter underage drinking. As part of the Township campaign, liquor license holders are required to sign the "We Check for 21" pledge, affirming strong support of the program, as a condition of receiving their liquor license renewal for July 1. The Township recognizes and thanks the license holders personally attending the kick-off event for their support.

SHISEIDO AMERICA UNVEILS AMERICAS INNOVATION CENTER

The Shiseido Americas Innovation Center, a newly enhanced expanded facility in East Windsor to accommodate advanced R&D activities in the Americas, recently was launched. The East Windsor R&D site, which has more than tripled from 6,600 square feet to 22,000 square feet, will now be home to a number of functions previously housed in Japan, including development of product information, product safety assurance, and intellectual property management. The larger space and scope of responsibilities in the region will also result in an increase in the number of researchers based locally. This enhanced R&D Americas Innovation Center is part of Shiseido America's current on-going expansion in East Windsor which is adding 75,000 square feet of space and enlarging its building footprint to 311,000 square feet, and doubling the East Windsor workforce. The expansion will accommodate company growth as well as the relocation to East Windsor of the operations and employees of the Monroe Township based Davlyn Industries.

NATIONAL NIGHT OUT CELEBRATION

Mayor Janice S. Mironov presents a Proclamation for 2016 “National Night Out” to East Windsor Neighborhood Watch volunteer members. Pictured (from left to right) are: (front row) Council Member Denise Daniels; Council Member Marc Lippman; Mayor Janice S. Mironov; and Neighborhood Watch Member Stacy Labone. Pictured (from left to right) are: (back row) Council Member John Zoller; Council Member Alan Rosenberg; Neighborhood Watch Member Wayne Vega; Neighborhood Watch Member Richard Labone; Event coordinator Police Detective Joseph Gorski; Chief of Police Harry Marshall, and Council Member Perry Shapiro.

East Windsor Township “National Night Out” was celebrated on August 2 and attended by many residents. Mayor Janice S. Mironov issued and presented to East Windsor Neighborhood Watch volunteer members a Mayoral Proclamation stating, “National Night Out is designed to heighten crime and drug prevention awareness, generate support for, and participation in, local anticrime programs, strengthen neighborhood spirit and police-community partnerships, and foremost send a strong message to criminals letting them know that the community and police have joined together in fighting crime.” National Night Out is coordinated annually to demonstrate the commitment of East Windsor Township in promoting a cooperative partnership between police, local government and citizens to vigilance and crime prevention throughout the East Windsor community.

NEW POLICE OFFICER

Mayor Janice S. Mironov administered the oath of office to new police officer **Nicholas Enea**, who fills a police vacancy. Officer Enea, a lifelong resident of East Windsor Township who attended the East Windsor Regional School District, graduated from the Mercer County Police Academy in 2015. Enea, who will be assigned to the Uniform Services Division, is a veteran of the United States Marine Corps and served six years of active duty military service.

PARKING PROHIBITED ON SNOW COVERED ROADWAYS

Township residents are reminded that parking is prohibited on many Township roadways when snow has fallen and the accumulation is such that it covers the street. These roadways are identified with “*No Parking When Road is Snow Covered*” signs. This parking prohibition remains in effect until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic. The Township appreciates the overwhelming majority of Township residents who consistently remove their motor vehicles from Township roadways during snow conditions. These actions are in compliance with the Township ordinance and serve to enhance the safety of the general public by allowing Township plows full access to these roadways. Motor vehicles parked on Township roadways in violation of this ordinance are subject to being towed at the owner’s expense and the vehicle owner is subject to a \$59 fine plus potential additional court costs/fees.

ICE AND SNOW REMOVAL REQUIRED FROM MOTOR VEHICLES

New Jersey motor vehicle law requires drivers of all motor vehicles operated on any roadway in the State to make all reasonable efforts to remove accumulated snow and ice from exposed surfaces of motor vehicles prior to their operation. Exposed surfaces include but are not limited to the hood, trunk, windshield and windows, the roof and cab of a truck, and top of trailers or semitrailers. A driver who violates the provisions of this law may be stopped by a police officer who believes the accumulated snow and/or ice may pose a threat to persons or property. Violators of the statute are subject to a fine not less than \$25 or more than \$75 for each offense regardless of whether any snow and/or ice is actually dislodged from the vehicle. For your safety and that of all traveling motorists, remember to always remove ice and snow from your vehicle before driving.
