➡ Hopewell Quarry (Hopewell, NJ) - The Old Swimming Hole since 1928. The Quarry Swim Club is surrounded by rock cliffs situated in a park-like setting. Campers will enjoy a natural spring-fed lake, three large floats anchored in the lake (swim from float to float, play frisbee or simply lie on an innertube and meditate), as well as three diving boards of various heights; large pool (1 1/2 - 4 feet deep); and a sand volleyball court.
