Our After School Programs offer a unique experience that will fascinate your child(ren) and provide extracurricular programming that encourages a future interest in a wide variety of scientific fields.

This exciting supplementary science program provides an opportunity for students to gain knowledge through an inquiry-based, interactive educational experience.

Each child will receive a take home summary sheet and take home project at the end of each class.

Also check out our birthday parties and summer camps at www.madscienceofnj.com
